ECEn 528
Study Guide – Vector Architectures

- Read Sections 4.1 - 4.2 of H & P
  - Things to focus on
    - How vector instructions flow through the pipeline
    - How to analyze vector execution time

  - Clarifications
    - None

  - Answer the following questions:

    1. Exercise 4.9, parts (b)-(e). NOTE: the 2nd question in (c) is actually question (d)
